WHAT'S GOING ON IN AND AROUND BLACK COLLEGE SPORTS

FLA. MEMORIAL MAKES COACHING CHANGE:

announced last week that Head Football Coach Bobby Rome, II, who has been at the helm for three seasons, will not return next season as head football coach

Under Rome's guidance, the Lions achieved a record of 15-15-1, including a record of 6-3-1 in

Rome

his final season. With Rome at the helm, the FMU Lions rewrote the history books and set several school records. His commitment to the sport and to the student-athletes of FMU has been unwavering, and his contributions have significantly shaped the football program for further success in the future.

The school announced that a national search for a new head coach will begin immediately.

AUTOMATIC BIDS COME TO D2 FOOTBALL:

Division II's football-sponsoring delegates at Friday's business session of the 2025 NCAA Convention approved a membership-sponsored proposal to provide automaticqualification privileges to all conferences that sponsor football, eliminating the current earned access legislation.

In effect, it means football champions of the CIAA and SIAC will receive berths in postseason NCAA playoff tournaments.

Division II football had been the only team sport across all three NCAA divisions that did not use automatic qualification.
